

# 2020 Application for Financial Assistance

## Musicals at Richter

### Summer Youth Musical Theater Workshops

Thank you for your interest in Musicals at Richter’s Summer Youth Musical Theater Workshops. As part of our mission, we strive to make the theater experience accessible to everyone in the community. We understand that circumstances may make it difficult for some to afford. In such cases, the Board of Directors has authorized the availability of scholarships based on need. In an effort to maintain fairness, we ask that those who wish to register a child but are concerned about costs to provide some information to help us decide.

In addition, we ask that each child write a short essay. The essay should be written on a separate page, may be handwritten or typed, and should describe why the child wishes to attend the workshop. There is no maximum or minimum word requirement.

Upon completion, either mail the application to: Musicals at Richter, 100 Aunt Hack Road, Danbury, CT, 06811, or email application to info@musicalsatrichter.org.
